Designed for every season

Carefully crafted

For over two years, our R&D team worked to develop a system that can not only withstand the elements but can be custom-made specifically for your garden, occupying as much or as little space as you'd like.

10 year-warranty

Using the highest grade 6063-T6 aluminium, premium quality is guaranteed. Powder-coated to Qualicoat's industry standard, we provide a 10-year warranty with every pergola. Motor and electrical parts are also covered with a 2-year manufacturer's warranty.

British made

We are the first and only British manufacturer of bioclimatic pergolas, and extremely proud of it. From our 13,000 ft production facility in Hampshire, your pergola will be precision-made to make the most of your space and wow for years to come.

4 week lead time

No one does it quite like us. The fastest in the industry, our dedicated 2-person delivery service will ensure your delivery is stress-free, as well as fast.

NEW

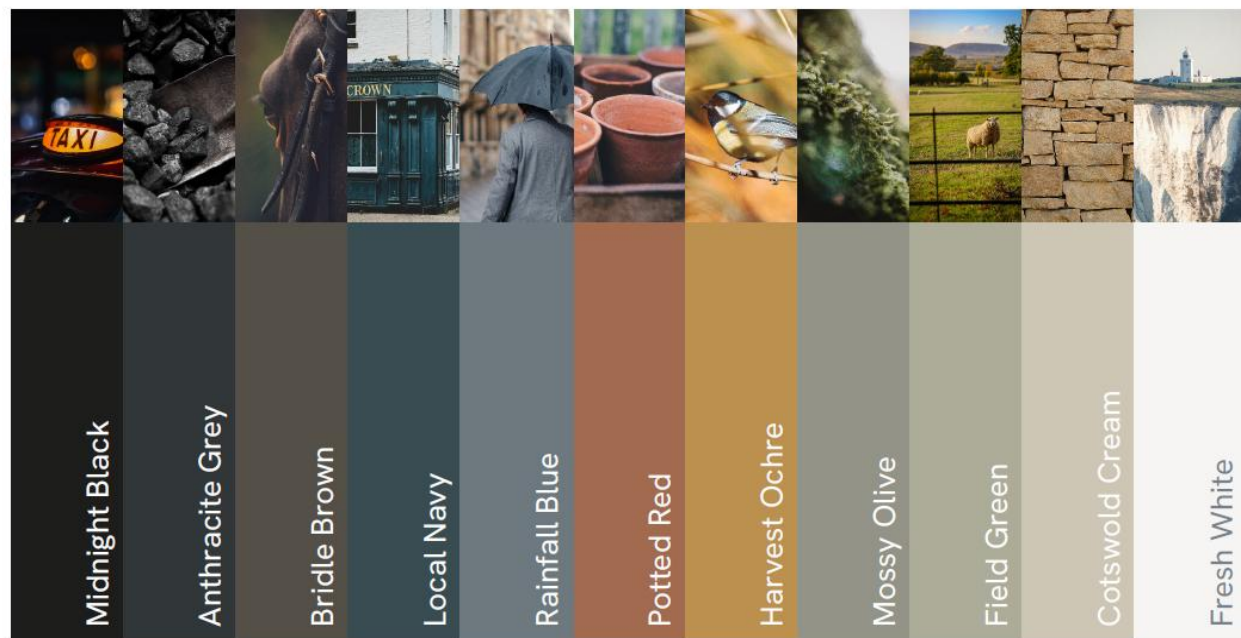

Introducing

Huescape Colour Palette

Huescape™ is our new exclusive
11-colour palette, inspired by the
timeless tones of the British landscape.

TIMELESS COLOURS | DISTINCTIVELY BRITISH | INCLUDED AS STANDARD

Designed to sit naturally within both modern and traditional gardens, Huescape™ complements planting schemes year-round — soft, earthy, and built to harmonise.

Bioclimatic Pergolas

Adjustable louvres give you control over sun, shade, and rain — for effortless outdoor comfort, year-round.
